

**DRUG & ALCOHOL FREE SCHOOLS**

The Montachusett Regional Vocational Technical School district is committed to providing a drug and alcohol free learning environment and workplace. Drug abuse and alcohol abuse at school or in connection with school-sponsored activities on or off school grounds threaten the health and safety of our students and our employees and adversely affect the educational mission of the school district. The unlawful possession and/or use of illicit drugs, alcoholic beverages or controlled substances are wrong and harmful.

For these reasons, the unlawful manufacture, distribution, dispensation, possession or use of illicit drugs, alcohol or other controlled substances in the workplace, on school premises or as part of any school-sponsored activities is strictly prohibited. These standards of conduct are equally applicable to students and employees.
